Advisory: This 7000 word dark erotic tale contains **BDSM, domination with medieval toys, explicit sexuality, and adult situations.** The content may be considered objectionable, so please read at your own discretion.

This is not for the faint of heart

My name is Violet and this is my story.

*There is not much that I can remember that night after **I blacked out.***

*My captor sought me out, tricked me, took me into his arms and **tied me down.***

My body became his playground, he used his body and his medieval devices to

*break me, to twist me, to **hurt me** to extract information.*

I know what he wants to know but I will not give it to him.

*His **bondage, his spanking and his medieval torture** only **turns me on.***

I can play his game better than he can.

How far will he go to extract what he needs from me.

*I whisper in the air '**Break me** my Captor'*

*'**Twist me** my Captor'*

*'**Truly Violate Me**.....'*
