Fontoon (Dedalus Europe)

John Schoneboom

Fontoon (Dedalus Europe) John Schoneboom

A satire on the absurdity of life it has the reader laughing out loud. Comparable to Samuel Beckett's *Murphy* and Flann O'Brien's *At Swim-Two-Birds* it is both erudite and grotesquely surreal. At the edge of the city, Admiral Fontoon tends the lighthouse at Wossafocken Point and dreams of being a famous poet. His odds are poor, as he spends far more time lost in thoughts about exactly how big Jupiter must be than writing actual poetry. He is also constantly undermined by the Fontoon Wrecking Company a secret organisation dedicated entirely to his personal humiliation. Nevertheless his dream comes true when a top spotter of poetic dispositions helps him to become an enormously influential media person. Fontoon's inspiring words begin to solve the world's biggest problems, until his weirdest and most disgusting personal idiosyncrasy is publicly exposed. 'a comic tour de force' *The Journal*
