She thought she had a life—until being hunted shows her she's never really lived.

Savage Australia, Book 2

Jacqueline Huddart has spent her entire adult life on the run. Not from the law, or even a jealous lover. From herself—and what she is. That strategy works for her until a funeral demands she return to home ground, and her best friend disappears. Finding Delainie means Jackie must confront the truth...and accept the help of a mysterious, sexy-as-sin Texan.

Marshall Rourke isn't the only one flying under the radar. He's on an off-the-grid quest to track down a rogue ex-partner who hunts paranormal beings for the joy of the kill. Convincing the unexpectedly feisty Jackie to trust him isn't easy, but there's no better way to lure the hunter into the open than to dangle as unique a target as Jackie—the last Tasmanian Tiger shifter in existence.

Trouble is, Marshall hadn't counted on Jackie's brutal right cross. Or the fact that her simmering sexuality calls to his inner wolf on every imaginable level. And that the killer is about to use their desire to add them both to his trophy case...

Warning: This title contains the following: explicit sex out in the bush, wild shifter sex in an abandoned shack, passionate sex in a hotel shower. Plus a Texan hero with a very big secret, an Australian heroine with an even bigger one, a significant amount of violence and as always, Australian sarcasm.
