Student Study Guide to accompany Introductory Statistics, 5th Edition, Student Study Guide Prem S. Mann

Work more effectively and gauge your progress as you go along! This **Study Guide** is designed to accompany Mann's *Introductory Statistics, 5th Edition*. It contains many elements that foster student success, including review sections, discussion questions, test questions and answers, and 'Hot Spots' focusing on the statistically complex areas of each chapter.

Through four previous editions, **Introductory Statistics** has made statistics both interesting and accessible to a wide and varied audience. The realistic content of its examples and exercises, the clarity and brevity of its presentation, and the soundness of its pedagogical approach have received the highest remarks from both students and instructors. Now this bestseller is available in a new **Fifth Edition**.
