## **Tapping the Potential of Parents** Patricia A. Edwards

This breakthrough book features concrete strategies that foster strong family-school partnerships which, in turn, help guarantee student success. The strategies, which enable teachers to interact with diverse families, include class and school demographic profiles, parenting contracts, parent vision statements, and parent informant literacy groups. Home-school communication and cooperation are lifelines that will improve the academic achievement of all children regardless of race or economic status, cultural or linguistic background.
