The Resurrectionist Sierra Woods

Even the toughest resurrectionist needs protection sometimes...

And make no mistake: Dani is tough...so tough even the grave couldn't keep her down. Ever since mysterious beings brought her back from her tragic murder, she's been using her newfound powers to restore justice to the world of humans. It's hard, dangerous work, and sometimes a little backup doesn't hurt—especially when it comes from a hunky cop like Sam Lopez.

There's only one catch: Dani's past has taught her that she can't trust another man. Besides, Sam has demons of his own to battle. They'll just have to ignore the heat that's building between them. Until a great evil begins to rise, and then Dani and Sam need to get closer than they've ever been.
