Up-and-coming celeb manager Sage Collins is ready for the big time. About to land her first big client—a teenager who could be the next Michael Jordan—Sage is determined to make her mark. The immovable object in her way? Marshall Grant, the athlete's father and manager—over six feet of sexy, take-charge ex-military male. No matter. Big-city chick Sage isn't leaving small-town Indiana without a contract—even if she has to seduce Marshall to get it.

Sage is all wrong for Marshall. So why is the single father finding the Vegas glam girl so irresistible? Marshall never thought Sage would trade her stilettos for sweats and sneakers, or her thrill-a-minute life for the frigid temps of Indiana. (Maybe the romantic firelit dinner or midnight sleigh rides have something to do with it.) Is the ultimate city girl playing a game neither of them can win? Or are they about to become partners in a new game, where love calls the shots?
