Can a man still love a woman even when she has destroyed his career and turned him away from the principles he lives by?

Eric Morrison's wife, Linda, hits a football superstar while driving drunk, and Eric tries to cover it up. But Linda is now ready to atone for her sins. With help from unexpected places, she finds the strength to stop drinking and gives her life to Christ. Eric is thrilled when his wife stops drinking. However, when she tells him that she wants to start an organization that helps recovering alcoholics put their lives back together and that she intends to use some of his father's foundation money to do it, Eric rejects the idea, convinced that it will put his bid for governor at risk.

Then a blackmailer threatens to reveal pictures of his wife's drunk-driving accident unless he receives ten million dollars. Eric must decide whether he will stand up for the truth that his father taught him and that his wife also believes in or sell his soul for public office.

This story has so many twists and turns, you won't be able to put it down!
