Sweet Dreams (The Eatons Book 3) Rochelle Alers

Chandra Eaton can't believe she left her journals—containing very private, very erotic dreams she's been having for the past two years—in a Philly taxicab. Her embarrassment turns to intrigue when Preston Tucker finds and returns them. The soulful playwright fires up Chandra's body and her mind. An irresistible combination, until she starts to suspect that he's just using her for creative inspiration.

Preston has spent years running from relationships. Chandra's journals captivate his imagination, for sure, but it's the intelligent, sensual woman behind them who really fascinates him. Now he has to find a way to win back her trust before she brings the curtain down on their affair for good.
