Textbook Amy Krouse Rosenthal

Amy Krouse Rosenthal

Textbook Amy Krouse Rosenthal Amy Krouse Rosenthal

In the ten years since her beloved, groundbreaking *Encyclopedia of an Ordinary Life*, *New York Times* bestselling author Amy Krouse Rosenthal has been quietly at work on this modest but mighty magnum opus, creating a spectacular literary experience that is unprecedented, unforgettable, and explosively human.

Amy Krouse Rosenthal has cultivated a distinct blend of nonlinear memoir, observational humor, wistful reflections, and interactive connections with readers. A decade after *Encyclopedia of an Ordinary Life*, she's back with a sublime new work, a timeless collection of insights, memories, and moments that are at once intimate and universal.

Why the title *Textbook Amy Krouse Rosenthal*? Because each piece of prose is organized into classic subjects such as Social Studies, Music, and Language Arts. Because *textbook* would accurately describe a book with a first-of-its-kind interactive text messaging component. Because *textbook* is an expression meaning “quintessential”—*Oh, that wordplay and unconventional format is so typical of her, so textbook AKR*. Because if an author's previous book has the word *encyclopedia* in the title, following it up with a *textbook* would be rather nice.

Textbook Amy Krouse Rosenthal speaks to the awe, bewilderment, and poignancy of being alive.

From the Hardcover edition.
