The Lucky Ones: One Family and the Extraordinary Invention of Chinese America Mae M. Ngai

The Lucky Ones uncovers the story of the Tape family in post-gold rush, racially explosive San Francisco. Mae Ngai paints a fascinating picture of how the role of immigration broker allowed patriarch Jeu Dip (Joseph Tape) to both protest and profit from discrimination, and of the Tapes as the first of a new social type--middle-class Chinese Americans.

Tape family history illuminates American history. Seven-year-old Mamie attempts to integrate California schools, resulting in the landmark 1885 case *Tape v. Hurley*. The family's intimate involvement in the 1904 St. Louis World's Fair reveals how Chinese American brokers essentially invented Chinatown, and so Chinese culture, for American audiences. Finally, *The Lucky Ones* reveals aspects--timely, haunting, and hopeful--of the lasting legacy of the immigrant experience for all Americans.

This expanded edition features a new preface and a selection of historical documents from the Chinese exclusion era that forms the backdrop to the Tape family's story.
