What James Said Liz Rosenberg

A funny, heartfelt, perfectly pitched story about misunderstandings and the importance of true friendship.

When a little girl thinks that her best friend James has been saying bad things about her behind her back, she takes action in the form of the silent treatment. As they go about their day and James tries harder and harder to get her to talk to him, they both realize that true friendship surpasses any rumor... or misunderstanding.

A classic childhood situation is brought to life with humor and poignancy with energetic illustrations by Matt Myers and a simple, telling text by Liz Rosenberg.
