Daman Quade wants to die, but when he does an angel rescues him - an angel who doesn't remember who she is or what she was doing in that dark alley. All Daman knows is that he should be dead and the angel shouldn't be alive on earth.

Daman wants to help the angel return to her place in the otherworlds and enlists the help of Father Joseph. They discover that Angel has to return by a flesh and blood sacrifice in three days or she is doomed to walk the earth until the end of time, neither angel nor human. Daman is torn, knowing he must be the sacrifice to save Angel and wanting to live and love again in the one chance of life Angel has given him.

Angel has a very big secret. She has fallen in love with Daman. Now that she is flesh and blood, her physical attraction is all-consuming. She doesn't want to go back. She wants to become human, to live and love as a mortal woman. And she wants Daman at her side until death do them part. But that might be earlier than she thinks.

Daman must survive otherworldly demons and death itself to claw his way back to a life where they both can be together. But after all that - will Angel's secret prove too much to overcome?
