In 1982 and 1983, American marines were stationed in Beirut with a vaguely defined mission to keep the peace. In 1982, a new Lebanese president, Bachir Gemayel, was elected, but he was assassinated by Moslem terrorists before he could take office. The terrorists relentlessly pressed their guerrilla war, forcing the marines to stay in “the Root” and to participate in an increasingly tense and dangerous mission.

Written and now revised by a retired Marine Corps captain who served in Beirut, this brutal, fast-moving novel about the events that led to a massacre of the marines describes Moslem terrorists; Arabs willing to lay down their lives to stop the fighting; tough Israeli soldiers who deride American peace efforts; wise-guy journalists; and—of course—the marines. *Outrage* is a fast-paced, authentic, and at times disturbing tribute to those marines who gave their lives in Beirut, even as it angrily condemns the events and policies that led to the deaths of so many brave men.
