Roses: The Tales Trilogy, Book 1 Rose Mannering

She bears no name. Her silvery appearance is freakish to the numerous inhabitants of Sago, the cosmopolitan capital of Pevorocco in the Western Realm. With her mother vanishing at the instance of her birth, she is sent to live with the cruel, rich Ma Dane, where she is punished daily for something, though she knows not what. Tauntingly named Beauty, she flees Sago in a violent uprising that sets out to massacre all Magics and journeys to the farthest point of the country.

But Beauty cannot hide in the grassy Hillands forever. Before long, the State officials find her and threaten to take her back to war-torn Sago where death surely awaits. In a midnight blizzard she escapes them, running into a deep, enchanted forest to a great and terrible beast who will bargain for her life.

But can Beauty accept Beast? Eternity is a long time. Now for the first time in paperback, *Roses* is sure to capture your heart as you fall in love with Beauty and her Beast all over again.

For readers 12+, this is a very imaginative, fantasy retelling of a classic fairy tale, which is still popular to the YA genre. With lessons about bullying others and falling in love, this is not only a light, fun read but also engages kids to think about their relationship to others in the real world.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.
