How to achieve wealth, happiness, and peace of mind through personal responsibility

The Power of Consistency is based on the fundamental premise that private declarations dictate future actions. In other words, we tend to take actions with the thoughts and beliefs we consistently have, and the cumulative results of those actions eventually create the quality and circumstances of our lives and businesses. Therefore, transformative change in life and business is possible when we reconstruct our minds and take responsibility for its content.

- Lays out a simple process—the Personal Prosperity Plan—to create powerful results in your life and business
- Explains the power of focus and your subconscious mind
- Outlines a four step process: focus, emotional connection, action, responsibility

The Power of Consistency teaches you how to create a Personal Prosperity Plan, get deeply emotionally committed to the plan, and take *consistent* action toward implementing the plan for improved sales and business performance.
