**Convulsión (Spanish Edition)** Robin Cook

**Un *thriller* apasionante sobre los increíbles avances de la investigación biotécnica.**

El laboratorio del doctor Lowell se dedica a la investigación de enfermedades hereditarias y neurológicas experimentando con células madre y ha encontrado líneas terapéuticas prometedoras. Sin embargo, su trabajo está amenazado por una ley contraria a estos experimentos, apoyada por el senador Ashley Butler, y que daría al traste con los sueños de Lowell.

Justo antes de la sesión del comité del Senado, Butler descubre que padece parkinson, una de las enfermedades que podrían atajarse con el tratamiento de Lowell. El descubrimiento de su enfermedad lleva al senador a pactar con Lowell: si el doctor le cura, paralizará el proyecto de ley. Pero el ADN que se implante en sus células ha de proceder de una fuente determinada y de ninguna otra: la Sábana Santa...

Una narración apasionante y llena de sorpresas, sobre los increíbles avances de la investigación biotécnica y las dudas éticas que plantea, que deja la inquietante sensación de que la misma ciencia que nos promete un futuro mejor nos somete a riesgos incalculables.

## **Reseña:**

«Un trepidante relato como los que han hecho de su autor el principal representante del *thriller* médico.»

*Jano*

Try to make relationship together with the book Convulsión (Spanish Edition). You never feel lose out for everything in the event you read some books.

#### **Barbara Rubio:**

Reading a e-book can be one of a lot of activity that everyone in the world really likes. Do you like reading book therefore. There are a lot of reasons why people fantastic. First reading a guide will give you a lot of new information. When you read a publication you will get new information mainly because book is one of a number of ways to share the information or perhaps their idea. Second, examining a book will make you more imaginative. When you studying a book especially fiction book the author will bring one to imagine the story how the character types do it anything. Third, you could share your knowledge to some others. When you read this Convulsión (Spanish Edition), you can tells your family, friends and also soon about yours guide. Your knowledge can inspire average, make them reading a guide.

#### **Dawn Brown:**

Reading a book tends to be new life style on this era globalization. With reading you can get a lot of information which will give you benefit in your life. Having book everyone in this world may share their idea. Ebooks can also inspire a lot of people. Plenty of author can inspire their particular reader with their story or perhaps their experience. Not only situation that share in the publications. But also they write about the information about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on earth always try to improve their proficiency in writing, they also doing some research before they write to the book. One of them is this Convulsión (Spanish Edition).
