Men Beyond the Law Max Brand

THREE UNTAMED MEN

These three short novels showcase Max Brand doing what he does best: exploring the wild, often dangerous life beyond the constraints of cities, beyond the reach of civilization...beyond the law. Whether he's a desperate man fleeing the tragic results of a gunfight, an innocent young man who stumbles onto the loot from a bank robbery, or the gentle giant named Bull Hunter—one of Brand's most famous characters—each protagonist is out on his own, facing two unknown frontiers: the Wild West...and his own future.
