Monster Garage: How to Customize Damn Near Anything Lee Klancher

Monster Garage turns ordinary vehicles into mind-bending machines like the "Doom Buggy," a Mazda RX-7 converted into a sand dragster, the Ford Explorer converted into a garbage truck, and an ambulance converted into a wheelie machine. Jesse James and his crew will tap the experts used on the number one Discovery Channel show, Monster Garage, to create a comprehensive guide to customizing your car, motorcycle, mini-van, pick-up truck, toaster, . . . you get the idea. Each section will take you through the process of creating a Monster custom, from planning the project, through building custom bodywork, to adding bolt-on bits and custom paint. The techniques are explained through illustrated diagrams, formulas when necessary, and step-by-step original and Monster Garage archival photographs.
