Have you ever noticed how the experiences of life, whether great or small, teach us some of the most profound spiritual lessons?

In *More to the Story*, Elder and Sister Zwick share some of their most insightful experiences and help us to see the gospel principles found in those stories.

They recount stories drawn from everyday experiences—recollections from their youth, insights from Sister Zwick's work as an artist, and lessons learned from their children. Other stories tell of exceptional life-changing events while serving in the Church in a variety of places around the world.

Elder and Sister Zwick write: "Our lives are filled with short but powerful experiences—stories—that individually may not have immediate or significant impact. Too often they are forgotten. But if we keep a record, we have opportunities to treasure up those morsels of spiritual energy for ourselves and for those we love."

The stories in *More to Your Story* will inspire you to reflect on your experiences and record your own stories so that those you love can learn from you how the gospel has blessed your life and can bless theirs too.
