One Enchanted Evening Crystal Inman

When a magical evening lifts the veil between the mortal world and the fairy tale kingdom, Ivy Daniels enjoys a closer look at the characters of her childhood. But they are also looking at her. To save their world. Prince Duncan enlists the fascinating and infuriating Ivy to help him save the kingdom and his ailing father. Although reluctant at first, Ivy comes to realize that unless she helps, the precious world of her youth will disappear. Not to mention that her house has a revolving door for all magical creatures wishing to plead their case. Which is becoming really, really old. Armed with an attitude, a hypochondriac sister, and a fairy tale bear, Ivy has her work cut out for her. Ivy Daniels used to believe in Fairy Tales. Now they believe in her.
