Helping Your Child Succeed in Fifth Grade: A Parent's Guide to the Common Core

Schools across America are rolling out new, more rigorous curricula in order to meet the demands created by a new set of English and Mathematics standards – known nationally as the Common Core State Learning Standards.

You can expect to see a number of changes in your child's fifth grade class. In English, students will now read more Informational Texts. This type of passage provides facts and often deals with current events, science, and social studies. In addition, questions posed about these readings will ask students to find evidence and use it to formulate an argument. In order to master new Literacy standards, students will need a larger and stronger vocabulary to allow them to both tackle complex readings and write acceptable arguments.

In Mathematics, students will spend more time developing their understanding of specific and important math concepts. Students will be expected to both demonstrate understanding of each topic and apply their mathematical skills to real-world situations.

As a parent, it is important not only to understand the new standards, but also to have the tools to help your child do his or her best in school. This book is designed to provide you with the guidance and resources to support classroom learning and help your child succeed. It includes:

1. An annotated review of the standards highlighting what your child should master during third grade
2. 20 Important lessons that you can do – together with your child – to support them as they progress through the school year
3. A Vocabulary section designed to make sure your child masters the most important academic words
4. 200+ practice questions to improve your child's skills
5. Diagnostic quiz and 20+ mini-quizzes to check for understanding

From reader reviews:

Brian Wilson:

In this 21st one hundred year, people become competitive in each and every way. By being competitive right now, people have do something to make these people survives, being in the middle of the actual crowded place and notice by means of surrounding. One thing that sometimes many people have underestimated that for a while is reading. Yes, by reading a e-book your ability to survive enhance then having chance to stay than other is high. In your case who want to start reading some sort of book, we give you this specific Parent's Guide to the Common Core: 5th Grade book as beginning and daily reading book. Why, because this book is usually more than just a book.

Arnold Browning:

Typically the book Parent's Guide to the Common Core: 5th Grade has a lot info on it. So when you make sure to read this book you can get a lot of benefit. The book was written by the very famous author. Tom makes some research previous to write this book. This kind of book very easy to read you can find the point easily after reading this article book.

Adeline Norris:

Precisely why? Because this Parent's Guide to the Common Core: 5th Grade is an unordinary book that the inside of the guide waiting for you to snap the item but latter it will surprise you with the secret the item inside. Reading this book alongside it was fantastic author who write the book in such awesome way makes the content inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you for not hesitating having this ever again or you going to regret it. This excellent book will give you a lot of gains than the other book have such as help improving your ability and your critical thinking approach. So , still want to postpone having that book? If I had been you I will go to the guide store hurriedly.

Ruth Vazquez:

Many people spending their time frame by playing outside along with friends, fun activity with family or just watching TV the entire day. You can have new activity to shell out your whole day by looking at a book. Ugh, ya think reading a book can definitely hard because you have to accept the book everywhere? It fine you can have the e-book, taking everywhere you want in your Mobile phone. Like Parent's Guide to the Common Core: 5th Grade which is keeping the e-book version. So , why not try out this book? Let's observe.
