## **The Secret Place** Benjamin Torres

*The Secret Place* was written with the intent of drawing people into a deeper relationship with God and to once again reinforce the truth that God is love—that His will is that every person should pursue an intensely passionate relationship with Him, eternally.

The book aspires to succeed in shattering previously preset horizons which evolved either through personal limitation, unfair discrimination, self-exclusion, or religious doctrines and exclusions that were propagated and practiced universally.

Throughout the book the author conscientiously works to aid the reader in his or her walk with the Almighty Father as he delves into personal experience and revelation as they have been extended to him over the years by the Holy Spirit.

It contains testimonies that will hopefully break every religious bone.
