Bayley Albrecht's dream is to play soccer on BYU's South Field. When she is invited to soccer camp the summer before her senior year in high school, she just knows she's one step closer to her dream. Things get even better when she meets Matt Macauley, the star of the men's soccer team. When they decide to write each other while Matt is on his mission, Bayley figures her life can't get any better. But it certainly can get worse . . .

After she receives a minor concussion from playing soccer, Bayley discovers she had a disease called alopecia which causes her to lose her hair. As Bayley struggles to deal with the reality of her baldness she finds herself having to make some tough decisions. Can she still play soccer? Does she even want to? More importantly, should she tell Matt? And will he still want her when she does? *Becoming Bayley* is the story of one girl's journey through self-discovery, of the definition of true love, and of the realization that as a daughter of God, she is of infinite worth.
