Hanciles does yeoman work in part one synthesizing studies on the impact of globalization, revealing that its outcomes will likely not be determined by the Euro-American heartlands that sparked this movement.

Instead, in parts two he shows that migration in general is having an enormous effect on shaping a new world order, and in part three, "Mobile Faith," he advances the case for the migration of Christians as carrying within it the seeds of renewal for the whole church and also the potential to reshape church-state and religion and culture relations globally.
