Symphony No. 7: "Song of the Night" (Dover Miniature Music Scores) Gustav Mahler

Mahler's seventh symphony ranks among the composer's most popular and accessible works. Possessing neither a "program" nor a folk-song theme, it is a purely instrumental composition, both hopeful and romantic in mood, with a harmonic and stylistic structure that evokes the daily journey from dusk till dawn. This miniature score is reproduced from an authoritative edition, complete with numbered movements for easy reference. Affordable and compact, it is ideal for use in the classroom, at home, or in the concert hall.
