Justice and the First Unit travel to Dustland once again. Can they destroy evil and save the future world?

Knowing they have unfinished business in the future, Justice, the Watcher, Thomas, the magician, Levi, the sufferer, and Dorian, the healer, again combine to form their unit and time-travel to Dustland. The unit hopes to guide the beings of Dustland out of the dangerous, barren place in the hopes of finding a safer home. But neither the unit nor the inhabitants of Dustland are truly safe as long as the sinister Mal remains in power. Will the unit be able to overcome Mal once and for all?

The Gathering is the third and final installment of Virginia Hamilton's dystopian fantasy series, the Justice Trilogy, comprised of *Justice and Her Brothers*, *Dustland*, and *The Gathering*.

This ebook features an illustrated biography of Virginia Hamilton including rare photos from the author's estate.
