**The Postmortal: A Novel** Drew Magary

• Finalist for the Philip K. Dick and Arthur C. Clarke Awards •

**"An exciting page turner. . . . Drew Magary is an excellent writer. *The Postmortal* is . . . even more terrifying than zombie apocalypse." — Mark Frauenfelder, *Boing Boing***

John Farrell is about to get "The Cure."

Old age can never kill him now.

The only problem is, everything else still can . . .

Imagine a near future where a cure for aging is discovered and—after much political and moral debate—made available to people worldwide. Immortality, however, comes with its own unique problems—including evil green people, government euthanasia programs, a disturbing new religious cult, and other horrors. Witty, eerie, and full of humanity, *The Postmortal* is an unforgettable thriller that envisions a pre-apocalyptic world so real that it is completely terrifying.

*From the Trade Paperback edition.*
