A Woman's Forbidden Emotion Gary J. Oliver, H. Norman Wright

Did you know that it is okay to get angry? In fact, anger is a proper and godly response to some of the challenges we face. Written specifically for women and counselors, this insightful and practical book corrects the popular notion that good Christian women should never get angry--not for any reason, not at anyone, not ever. While the Bible admonishes believers to be long-suffering, it also shows how anger can be a vital tool in God's hands for bringing about needed change.
