Medio sol amarillo (Spanish Edition) Chimamanda Ngozi Adichie

***Medio sol amarillo* es una novela épica y magistral, que cuestiona el colonialismo, las alianzas étnicas y la responsabilidad moral de un conflicto, el de Nigeria, apoyado por las potencias mundiales.**

Medio sol amarillo recrea un período de la historia contemporánea de África: la lucha de Biafra por conseguir una república independiente de Nigeria, y la consecuente guerra civil que segó la vida de miles de personas.

Con gran empatía y la naturalidad de una narradora comprometida, Chimamanda Ngozi Adichie recrea la vida de tres personajes atrapados en las turbulencias de la década: el joven Ugwu, empleado de la casa de un profesor universitario de ideas revolucionarias; Olanna, la hermosa mujer del profesor, que por amor ha abandonado su privilegiada vida en Lagos para residir en una polvorienta ciudad, y Richard, un joven y tímido inglés que está enamorado de la hermana de Olanna, una mujer misteriosa que renuncia a comprometerse con nadie. A medida que las tropas nigerianas avanzan, los protagonistas de esta historia deben defender sus creencias y reafirmar sus lealtades.

Reseñas:

«Una novela extraordinaria.»

J.M. Coetzee

«Una novela importante, con muchos logros a nivel estilístico y una maestría indiscutible a la hora de recrear una guerra. Es una lección de historia en forma de novela, evocativa y absorbente.»

Publishers Weekly

«Adichie dota a sus personajes de vida y de profundidad en el marco de una guerra cruel. En manos de una escritora de esta talla, se convierte en una lección de historia inolvidable.»

The Arizona Republic

«*Medio sol amarillo* es la segunda novela de Chimamanda Ngozi Adichie, escritora que todavía no tiene treinta años y promete ser una de las grandes. Es difícil resumir todos sus logros en pocas palabras; la prosa es admirable, con una capacidad decimonónica de recrear una historia en todo su esplendor, con inteligencia para manejar el tema de la guerra y el amor sin que la novela se descomponga ni en una sola página. Lo que hace esta escritora es literatura clásica, en el mejor de los sentidos.»

Will Blythe, *Elle*

From reader reviews:

Lisa King:

What do you in relation to book? It is not important along? Or just adding material when you want something to explain what the one you have problem? How about your free time? Or are you busy particular person? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have spare time? What did you do? Everybody has many questions above. They should answer that question since just their can do which. It said that about publication. Book is familiar on every person. Yes, it is proper. Because start from on guardería until university need this Medio sol amarillo (Spanish Edition) to read.

Veronica Gregor:

Reading a publication tends to be new life style in this particular era globalization. With reading through you can get a lot of information that can give you benefit in your life. With book everyone in this world may share their idea. Publications can also inspire a lot of people. Many author can inspire all their reader with their story or maybe their experience. Not only the story that share in the books. But also they write about the knowledge about something that you need instance. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that exist now. The authors these days always try to improve their expertise in writing, they also doing some research before they write to the book. One of them is this Medio sol amarillo (Spanish Edition).

Julie Gooch:

Spent a free a chance to be fun activity to accomplish! A lot of people spent their down time with their family, or their friends. Usually they accomplishing activity like watching television, gonna beach, or picnic inside the park. They actually doing ditto every week. Do you feel it? Do you wish to something different to fill your current free time/ holiday? May be reading a book may be option to fill your free time/ holiday. The first thing that you ask may be what kinds of reserve that you should read. If you want to consider look for book, may be the publication untitled Medio sol amarillo (Spanish Edition) can be very good book to read. May be it is usually best activity to you.

Jerold Niemi:

Precisely why? Because this Medio sol amarillo (Spanish Edition) is an unordinary book that the inside of the book waiting for you to snap that but latter it will zap you with the secret it inside. Reading this book beside it was fantastic author who have write the book in such remarkable way makes the content interior easier to understand, entertaining approach but still convey the meaning thoroughly. So , it is good for you for not hesitating having this ever again or you going to regret it. This unique book will give you a lot of advantages than the other book get such as help improving your ability and your critical thinking method. So , still want to hold up having that book? If I were you I will go to the e-book store hurriedly.
