New and Selected Poems (Palmetto Poetry Series) Marjory Wentworth

New and Selected Poems includes more than fifty poems from Marjory Wentworth's previous three collections, *Noticing Eden*, *Despite Gravity*, and *The Endless Repetition of an Ordinary Miracle*, plus twenty-eight new poems. This collection serves as a capstone to Wentworth's tenure as South Carolina poet laureate, a title she has held since 2003.

Thematically Wentworth's poems invite us to view nature as a site of reflection and healing, to consider the power of familial bonds and friendships, and to broaden our awareness of human rights and social justice. Regional settings appear throughout, indicative of Wentworth's commitment to represent her adopted home state of South Carolina in her work. She skillfully employs a variety of forms, from prose poems to sonnets to elegies to list poems, making for a varied and interesting trek through this "best of" collection of her poems to date.

This collection includes a foreword by the poet Carol Ann Davis, author of *Psalm* and *Atlas Hour* and assistant professor of English at Fairfield University.
