Lilith Boot's life changes forever the night she drowns the flowers in her parents' garden. Frightened by their daughter's odd behaviour, and her recent pronouncements of psychic visions, the Boots send Lilith to a Vancouver mental hospital. It is there that she becomes pregnant, giving birth after her discharge.

Years later, Lilith uses her visions to help Toronto police find missing children. At the same time, her own daughter, Lemon, struggles to distinguish herself from her quirky mother. Searching for her identity, she sets off across the country in search of the father she has never met. In the process, both Lilith and Lemon discover that they can never escape from the past - or each other.

This debut novel introduces an astonishing new voice to the Canadian literary scene. With fresh, inspiring language, and characters who steal your heart, Elizabeth Ruth weaves together an unforgettable story of loss and landscape of memory.
