Big, Black & Beautiful (XXX-Rated BWWM Black Woman White Man Erotica) Stacey Fox

I leaned my head back and closed my eyes, letting out a little gasp as his hands slipped around my hips, Darrell not even seeming to notice or care about my “extra curves” as he planted a series of gentle but firm kisses down my neckline and onto my shoulder.

“What could you possibly see in me” I asked him.

“I’m old enough to be your mother. I’m sure there must be lots of lovely, slim young white girls out there crying themselves to sleep about meeting a handsome, strapping young lad like you.

“Oh, so you think I’m handsome do you?” he breathed in my other ear, “How could I not possibly be attracted to a sexy, black woman like you?”

I was always pleased to see my son Junior when he came home from college, but when he asked if he could bring a friend with him this time I admit I was a little apprehensive.

What I never guessed was that he would be a tall, handsome white boy!!

And things took an even more surprising turn when he began flirting with me!!

What could he possibly find attractive in an old, overweight black woman like me?

Well I was shortly about to find out, and there was no way I was going to let my size stop me from getting what I really desired.

And boy was he willing to give it to me!!

Over and over again, and in every possible way!!

This short story contains graphic descriptions of wild and filthy sex between a big beautiful black woman and a fit young white college boy.

Nothing is left to the imagination, and you’re really gonna want to find out what happens when they get hot and wet and end up in the shower together.

Due to the nature of this story it should only be read by persons over the age of 18, and only if you are ready to get all hot and wet yourself.

All of the characters in this story are over the age of 18, none of them are related and everything that takes place is consensual and completely dirty
