## **Stato e rivoluzione: Edizione integrale (Le Fionde) (Italian Edition)** Vladimir Lenin

Scritto alla vigilia della Rivoluzione d'Ottobre, "Stato e rivoluzione" non è soltanto un'opera fondamentale per chiunque si interessi allo scottante problema dei rapporti tra socialismo e Stato, ma è anche il libro in cui Lenin abbandona la speculazione sui temi rivoluzionari per dare la parola alla rivoluzione stessa, affrontando in un'ottica nuova e definitiva gli annosi problemi della guerra imperialista, del capitalismo monopolistico, dell'oppressione delle masse lavoratrici e del passaggio dalla dittatura della borghesia alla dittatura del proletariato. Capolavoro di visione strategica e di tattica insurrezionale, "Stato e rivoluzione" è un classico che, generazione dopo generazione, continua a dimostrare la sua attualità, ponendosi come lettura obbligatoria per chiunque voglia accostarsi in prima persona alla realtà della lotta sociale e alla necessità di sovvertire l'esistente (a cura di Cristiano Armati)
