Taken (Alex Verus Book 3) Benedict Jacka

This time last year, I could go weeks without seeing another mage. In mage society I was an unknown and, all in all, that was how I liked it. It's hard to say what changed. Whatever it was, I got involved in the magical world again and started getting myself a reputation.

Alex Verus's insights into the future used to be the best-kept secret in London. Now, with the aid of his apprentice, Luna, his unique investigative talents are all the rage. He just has to be careful about picking his employers, because everyone—even the beautiful woman who practically begs him to run security for a prestigious tournament—has motives that can be hard to predict. And Alex doesn't do unpredictable.

But his latest gig just might be impossible. Apprentices have been vanishing without a trace—and someone on the Council could be involved. Alex has no evidence, no witnesses, and no suspects. All he knows is that someone is keeping tabs on him. And after assassins target Luna's classmate, Alex sees that he doesn't know the half of it—and that he could be the next to disappear.

From reader reviews:

Antoinette Hogg:

Nowadays reading books become more than want or need but also work as a life style. This reading routine give you lot of advantages. Associate programs you got of course the knowledge your information inside the book this improve your knowledge and information. The information you get based on what kind of guide you read, if you want drive more knowledge just go with knowledge books but if you want feel happy read one using theme for entertaining like comic or novel. The actual Taken (Alex Verus Book 3) is kind of publication which is giving the reader unpredictable experience.

Michael Taylor:

The reason? Because this Taken (Alex Verus Book 3) is an unordinary book that the inside of the book waiting for you to snap it but latter it will distress you with the secret it inside. Reading this book close to it was fantastic author who also write the book in such awesome way makes the content inside easier to understand, entertaining way but still convey the meaning thoroughly. So , it is good for you for not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of benefits than the other book include such as help improving your ability and your critical thinking technique. So , still want to hesitate having that book? If I were you I will go to the e-book store hurriedly.

Kay Davidson:

Can you one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Make an effort to pick one book that you just dont know the inside because don't ascertain book by its include may doesn't work is difficult job because you are afraid that the inside maybe not seeing that fantastic as in the outside appear likes. Maybe you answer may be Taken (Alex Verus Book 3) why because the wonderful cover that make you consider about the content will not disappoint you actually. The inside or content will be fantastic as the outside or maybe cover. Your reading sixth sense will directly make suggestions to pick up this book.

Marge Lee:

Is it a person who having spare time then spend it whole day by watching television programs or just lying down on the bed? Do you need something new? This Taken (Alex Verus Book 3) can be the answer, oh how comes? A fresh book you know. You are therefore out of date, spending your time by reading in this completely new era is common not a geek activity. So what these publications have than the others?
