From Book 1: In this brand new series from the author of the Clockwork Empire series, a hopeless outcast must answer Death's call and embark on an epic adventure....

Although Danr's mother was human, his father was one of the hated Stane, a troll from the mountains. Now Danr has nothing to look forward to but a life of disapproval and mistrust, answering to "Trollboy" and condemned to hard labor on a farm.

Until, without warning, strange creatures come down from the mountains to attack the village. Spirits walk the land, terrifying the living. Trolls creep out from under the mountain, provoking war with the elves. And Death herself calls upon Danr to set things right.

At Death's insistence, Danr heads out to find the Iron Axe, the weapon that sundered the continent a thousand years ago. Together with unlikely companions, Danr will brave fantastic and dangerous creatures to find a weapon that could save the world—or destroy it.
