Thornspell Helen Lowe

Helen Lowe reimagines the Sleeping Beauty story from the point of view of the prince who is destined to wake the enchanted princess in this lush, romantic fantasy-adventure.

Prince Sigismund has grown up hearing fantastical stories about enchantments and faie spells, basilisks and dragons, knights-errant and heroic quests. He'd love for them to be true—he's been sheltered in a country castle for most of his life and longs for adventure—but they are just stories. Or are they?

From the day that a mysterious lady in a fine carriage speaks to him through the castle gates, Sigismund's world starts to shift. He begins to dream of a girl wrapped, *trapped*, in thorns. He dreams of a palace, utterly still, waiting. He dreams of a man in red armor, riding a red horse—and then suddenly that man arrives at the castle!

Sigismund is about to learn that sometimes dreams are true, that the world is both more magical and more dangerous than he imagined, and that the heroic quest he imagined for himself as a boy . . . begins now.

From the Hardcover edition.

From reader reviews:

Joseph Jenkins:

Are you kind of active person, only have 10 as well as 15 minute in your moment to upgrading your mind proficiency or thinking skill possibly analytical thinking? Then you have problem with the book as compared to can satisfy your short time to read it because all this time you only find publication that need more time to be learn. Thornspell can be your answer because it can be read by you who have those short spare time problems.

Jesse Reid:

Do you like reading a guide? Confuse to looking for your chosen book? Or your book was rare? Why so many issue for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes reading, not only science book but in addition novel and Thornspell as well as others sources were given information for you. After you know how the great a book, you feel need to read more and more. Science e-book was created for teacher or perhaps students especially. Those guides are helping them to bring their knowledge. In some other case, beside science guide, any other book likes Thornspell to make your spare time much more colorful. Many types of book like this one.

Alissa Sowell:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some publication, they are complained. Just small students that has reading's heart and soul or real their interest. They just do what the professor want, like asked to the library. They go to presently there but nothing reading really. Any students feel that reading through is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important for you. As we know that on this time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this Thornspell can make you feel more interested to read.

Maurice Conner:

Reserve is one of source of know-how. We can add our expertise from it. Not only for students but native or citizen want book to know the upgrade information of year for you to year. As we know those textbooks have many advantages. Beside all of us add our knowledge, could also bring us to around the world. From the book Thornspell we can get more advantage. Don't someone to be creative people? Being creative person must want to read a book. Only choose the best book that ideal with your aim. Don't always be doubt to change your life by this book Thornspell. You can more inviting than now.
