Voice of the Soul: Your Inner Wisdom and How To Listen To It Robbie Adkins

If ever there was a time for us to learn to listen to and trust our own true best friend, our higher self, our intuition, our soul voice – it is now. Why now? Because so many of our long trusted authority figures are crumbling right before our eyes. We need our own measuring device to know who to trust ... who to listen to. If you wish to also have the deck of Voice of the Soul message cards themselves, please order from www.voiceofsoul.org. This book, beautifully illustrated in full color, guides you through a simple alignment/meditation technique that is easy to do even if you have never meditated. Then, once you are clear, you draw your card from the deck of message cards provided, empowering yourself with information that your own higher self wants you to hear. A modern synthesis of images from the I-Ching and Native American teachings are easy to understand and relate to. A friendly way to learn to hear your own greatest wisdom.
