Creep series (2 Book Series) Jennifer Hillier

From Book 1: Pulsing with the dark obsession of Radiohead's song "Creep," this taut thriller—Jennifer Hillier's superb debut—rockets from its seductive opening to a heartpounding climax not easily forgotten.

If he can't have her . . .

Dr. Sheila Tao is a professor of psychology. An expert in human behavior. And when she began an affair with sexy, charming graduate student Ethan Wolfe, she knew she was playing with fire. Consumed by lust when they were together, riddled with guilt when they weren't, she knows the three-month fling with her teaching assistant has to end. After all, she's finally engaged to a kind and loving investment banker who adores her, and she's taking control of her life. But when she attempts to end the affair, Ethan Wolfe won't let her walk away.

. . . no one else can.

Ethan has plans for Sheila, plans that involve posting a sex video that would surely get her fired and destroy her prestigious career. Plans to make her pay for rejecting him. And as she attempts to counter his every threatening move without her colleagues or her fiancé discovering her most intimate secrets, a shattering crime rocks Puget Sound State University: a female student, a star athlete, is found stabbed to death. Someone is raising the stakes of violence, sex, and blackmail . . . and before she knows it, Sheila is caught in a terrifying cat-and-mouse game with the lover she couldn't resist—who is now the monster who won't let her go.

From reader reviews:

Carole Clark:

What do you concentrate on book? It is just for students because they're still students or the item for all people in the world, the actual best subject for that? Merely you can be answered for that question above. Every person has distinct personality and hobby for every other. Don't to be obligated someone or something that they don't would like do that. You must know how great along with important the book Creep series (2 Book Series). All type of book is it possible to see on many resources. You can look for the internet sources or other social media.

Neil Calvert:

As people who live in typically the modest era should be change about what going on or information even knowledge to make them keep up with the era that is certainly always change and move ahead. Some of you maybe will update themselves by reading through books. It is a good choice for you but the problems coming to anyone is you don't know what kind you should start with. This Creep series (2 Book Series) is our recommendation to help you keep up with the world. Why, since this book serves what you want and need in this era.

Guadalupe Marshall:

A lot of people always spent their very own free time to vacation or even go to the outside with them family members or their friend. Did you know? Many a lot of people spent that they free time just watching TV, or even playing video games all day long. If you wish to try to find a new activity that's look different you can read the book. It is really fun for yourself. If you enjoy the book which you read you can spent the whole day to reading a publication. The book Creep series (2 Book Series) it is extremely good to read. There are a lot of people who recommended this book. They were enjoying reading this book. When you did not have enough space bringing this book you can buy often the e-book. You can m0ore very easily to read this book through your smart phone. The price is not too expensive but this book has high quality.

Cathy Duran:

Is it you actually who having spare time after that spend it whole day by means of watching television programs or just lying down on the bed? Do you need something totally new? This Creep series (2 Book Series) can be the reply, oh how comes? The new book you know. You are therefore out of date, spending your time by reading in this fresh era is common not a geek activity. So what these textbooks have than the others?
