Gilding the Lily-pad Elle Lothlorien

?From the Amazon Bestselling Author of The Frog Prince comes Gilding the Lily-pad!?

BOOK DESCRIPTION: It was her quirkiness that did it. Five minutes after being assaulted with her shoe at the wake of a total stranger, Roman Habsburg von Lorraine, pretender to the long-since-abolished Austrian throne, decides it's worth crashing the funeral the next day to pursue the beautiful but quirky Leigh Fromm. Despite being more than eligible to marry into any royal European family that will have him, Roman's passing interest in Leigh very quickly turns into infatuation. But when a parliamentary motion in Austria throws him head-first into a role he never anticipated, he finds that his romantic relationships--past and present--have suddenly become a matter of state. Desperate to protect Leigh, Roman keeps her in the dark about his abrupt change of fortune--a strategy that he knows won't work forever. Can their feelings for each other survive what's quickly becoming a royal mess?

NOTE TO READERS Gilding the Lily-pad is a companion novel to The Frog Prince, NOT a sequel. It follows the same story as The Frog Prince, but is told from Roman Lorraine von Habsburg's point-of-view.
