A very entertaining and intriguing story. --Mary Monroe, *New York Times* bestselling author

He's a blue-eyed CEO who knows how to take care of business in and out of the boardroom. But their happy life quickly unravels when long held desires and decades-old secrets come back to haunt them.

It starts when Parker Brightwood re-enters Victoria's life. She thought she'd gotten over the handsome surgeon who once stole her heart, but unusual circumstances bring the ebony prince back on the scene--and now he's determined to win her at any cost. Ted's undoing begins with his mother's sudden death and a shocking revelation that threatens the life and marriage he treasures. Facing a road filled with uncertainty, can Victoria and Ted repair the damage done by secrets and lies before it's too late?
