Relatos (Spanish Edition)

José María Arguedas

Relatos (Spanish Edition) José María Arguedas

El tema por excelencia de la obra de José María Arguedas es la confrontación entre dos culturas: la andina de origen quechua y la urbana de raíces europeas. Nacido en Andahuaylas, en el corazón de la zona andina más pobre y olvidada del país, estuvo en contacto desde la infancia con los ambientes y personajes que incorporaría a su obra. Por esta razón su obra revela el profundo amor del escritor por la cultura andina peruana, a la que debió su más temprana formación, y representa, sin duda, la cumbre del indigenismo peruano.

En sus relatos se advierte la problemática que terminaría por presidir toda su escritura: la vida, los azares y los sufrimientos de los indios en las haciendas y aldeas de la sierra del Perú.

«Es una obra de literaria por un lado, pero también de antropólogo, de etnólogo, de folclorista y de un extraordinario traductor de obras indígenas al español. Yo creo que esa obra debe ser leída por las nuevas generaciones porque es una manera de conocer el Perú profundo.»

Mario Vargas Llosa
