Slovenly Betsy: The American Struwwelpeter: From the Struwwelpeter Library (Dover Children's Classics) Heinrich Hoffmann

Hoffmann, a 19th-century German physician, gained lasting fame for writing *Struwwelpeter*, a darkly humorous compilation of cautionary tales about naughty children. Created by the author specifically for American readers, *Slovenly Betsy* features the same perverse drollery as its predecessor. Adults and children alike will revel in these quaintly illustrated rhyming stories of bad habits and their dire consequences.
