A beautiful world comes at a price...

In a world filled with stunning clones Mina Hart is Blemished. Her genes are worthless and that takes away her rights: her right to an Education, her right to a normal life and her right to have a child.

Mina keeps a dangerous secret which she never thought she could share until she meets Angela on her first day at St Jude's School. But their friendship is soon complicated by Angela's adoptive brother Daniel. Mina finds herself drawn to his mysterious powers and impulsive nature. Then there is the gorgeous clone Sebastian who Mina is forbidden from even speaking to...

The Blemished is a frightening take on a fractured future where the Genetic Enhancement Ministry have taken control of Britain. It will take you on a ride filled with adventure, romance and rebellion.

Book one in the popular YA dystopia series 'Blemished'.
