Lee, living in Hong Kong, meets Matt, a fine young Englishman. Their relationship becomes stronger by the day, despite their deep cultural differences. But there is Lee's Dad to contend with who views this affair very suspiciously. And there is another contender for Lee's heart, a Chinese young man, whose jealousy takes on twinges of xenophobia. Will Lee and Matt's relationship successfully cross the cultural divide and overcome the negative odds? Two worlds collide creating good sparks... and bad ones.

Douglas Ayer:

As a student exactly feel bored to help reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just small students that has reading's heart and soul or real their hobby. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading significantly. Any students feel that looking at is not important, boring and also can't see colorful photos on there. Yeah, it is to be complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this The Story of Lee: Volume 1 can make you truly feel more interested to read.
